

ZENORA DESIGNS
RARE. REFINED. DIVINE

STUDIO SPACES

Transforming workplaces into refined environments built for vision, performance, and success.

Interior Design

CORPORATE WORKSPACE

This office interior is thoughtfully designed to create a refined, functional and inspiring work environment. The space combines contemporary aesthetics, clean architectural lines and carefully selected materials to achieve a professional yet welcoming atmosphere.

The overall design focuses on efficient space planning, comfortable workstations, elegant furniture, balanced lighting and subtle detailing. Neutral tones, sophisticated textures and modern finishes come together to create a workspace that reflects the brand's identity while supporting productivity, collaboration and everyday work experiences.

WARM NEUTRALS

Ivory • taupe • beige

METALLIC DETAIL

Champagne-gold accents

SOFT GEOMETRY
